SPECIAL NOTE

Worksafe Specified Non Standars Pallets Will Be Supplied At \$19.80 Ea

Other mat sizes are priced on application

All prices exclude GST

Mats are supplied on pallets of no more than 50 as this alleviates the problem of sticking.

Standard gauge is 9.5mm - 3/8", other gauges will be made upon request

Matting is produced from high durable rubber reinforced with nylon/polyester fibre for extra strength.

Main Users are:

- Horse float flooring/lining
- Horse stable lining / Flooring
- Cricket turf wicket run-up protection / Football Concrete Areas.
- Boat Decking Anti Slip Surfacing, Ideal for Wet Decks, Drive Boats.
- Ute lining / Flat or Tub cut to size
- Anti fatigue matting for in front of Machinery / Workshops / Gyms etc.
- Covering Outdoor Wiring, Public Events Concerts etc.

Transportation can be organised for most destinations at your request

PLEASE NOTE TERMS ARE STRICTLY 14 DAYS
